ABOUT THE SPEAKERS:

Dale Bratzler, D.O., M.P.H., currently serves as the Medical Director of the Hospital Interventions Quality Improvement Organization Support Center & the Hospital Quality of Care Measures Special Study located at the

Oklahoma Foundation for Medical Quality. In these roles, he provides clinical & technical support for local & national hospital quality improvement initiatives including the Medicare National Pneumonia Project & the National Surgical Care Improvement Project

James Conway, MD, MS, Senior Vice President, Institute for Healthcare Improvement (IHI) & from 1995-2005, he served as Executive Vice President & Chief Operating Officer of Dana-

Farber Cancer Institute. Prior to joining Dana-Farber, he had a 27-year career at Children's Hospital, Boston, in radiology administration, finance, & as assistant hospital director for patient care services with expertise in executive leadership, patient safety, change management, & patient-/family-centered care. He is a member of the IOM Committee on Identifying & Preventing Medication Errors, an Advisor to the Massachusetts Coalition for the Prevention of Medical Errors, a Distinguished Advisor to the National Patient Safety Foundation, & a member of the Joint Commission Sentinel Event Alert Advisory Group.

Heidi Benson, R.N., M.S., C.P.H.Q., F.N.A.H.Q.

Director, Clinical Operations LifePoint Hospitals, Inc. & NAHQ Immediate Past President.

Jeanmarie Mayer, M.D. serves at the University of Utah as the Associate Hospital Epidemiologist at the University Hospital & is currently pursuing a Master's degree in Medical & Public Health Informatics. She is

primarily interested in electronic surveillance of healthcare acquired infections (HAI) & she researches

the application of a geographical information system to enhance hospital wide infection control surveillance.

Dr. Mayer chairs the Utah State HAI Users Group & is actively involved with setting standards & policy related to mandatory reporting of HAI in Utah.
